

2/1/03 Meeting Minutes

- Roger Blair will be taking over the duties of the newsletter and the website.
- **Treasury Report:** see newsletter.
- **Field Report:** Bob Freshwater will try to pump the water away from the field into the canal on the other side of the levee. He is also going to build 2 more starting stations for the pits. **Please remember to use the transmitter shack. Also please display your frequency numbers on your transmitter at all times.** Greg Wilson is offering to make them for a dollar a piece for anyone who is interested. Contact Lou for more details.
- A motion was made and passed to no longer require the red flag for your transmitter.
- **Bob Freshwater** suggested presenting at schools or community centers for recruiting. If you are interested in helping please contact him.
- The club is going to try and re-incorporate the club so that the liability is not on the shoulders of the members.
- **Dummy of the Month:** None
- **Show and Tell:** None!

Meeting Adjourned!
